Come spend the evening with 3 well known Tennessee archivists and ask them your best archives questions. Have you ever wondered what archivists do all day? Need help with preserving your family photos or documents? Trying to find records to tear down your genealogy brick wall? What ghoulish things can be found in archives? Bring your questions to this MTGS Ask the Archivist event and hang out with archivist Chuck Sherrill, Jim Long and Melissa Barker a.k.a. The Archive Lady.
